

1.6) Comments from the general public and press

Alison Jeffers attended the meeting to update the council on the proposed new Café, Shop and Village Hall. The questionnaire that was distributed to village residents has shown an approximate level of support of between 60% and 80% for the three proposed elements.

An information session will be held in the Village Hall on 22nd May between 10am and 12pm. Residents can drop in and ask questions about the proposals. In the next phase of the proposed development five possible locations will be suggested to residents to gauge which will be the most popular: in the PHC grounds, opposite the Primary School, the Recreation Ground, the Red Lion and Altham's field.
